

The Art of African Figure Sculpture

The University of Dallas Art Gallery presents an exhibition of sculpture from various areas of Africa, representing distinctive approaches to the human figure. The pieces have been gathered from the Stillman Collection of the Dallas Museum of Fine Arts, Shango Galleries, and several private collections. The exhibition can be viewed Feb. 12, through March 15, in the Haggard University Center, from 11 - 4 weekdays and 12 - 4 weekends.

On March 7, Dr. Robert Plant Armstrong of the University of Texas at Dallas will present an introductory lecture about African art in Lynch Auditorium at 7pm. Free Admission.
