translation

1. Let us rejoice, therefore, while we are young.
Let us rejoice, therefore, while we are young.
After pleasant youth, after bitter age,
The earth will hold us, the earth will hold us.
2. Long live the academy, long live the professors.
Long live the academy, long live the professors.
Live each member, live all members.
May they always be in bloom, may they always be in bloom.
3. Fruitful mother, may she flourish, she who has raised us.
Fruitful mother, may she flourish, she who has raised us,
Who had been scattered into distant regions,
She has brought together, she has brought together.
