A Plea from the Personnel Office to all Faculty and Staff: If your family size and dependent or marital status, has changed recently, or if you have had a change of address, please contact the Personnel Office to assure that your insurance coverage is sufficient for your family needs. Coverage for your dependents is not automatic - there are forms that must be completed and signed by the insured in order to initiate coverage. In addition to changes in insurance, you may also wish to change the number of dependents listed for income tax deductions. Please stop by the Personnel Office and complete a new W-4 Form.

DOUG DRAKE, Alumni Coordinator, reports contributions for the Alumni Campaign at \$2300. The mail-out began two weeks ago.
